

Minnesota Society for Histotechnology Scholarship Criteria

For all scholarships, applicants must be:

- √ MSH member in good standing for the previous year
- √ Certified or eligible
- √ Currently working in the field of histology

All money will be reimbursed upon receiving receipts and a brief follow-up summary (1 page or less) within 60 days of the event or course completion. This summary may be posted on the website.

Application form must be submitted or postmarked no later than March 1st.

All applications must be accompanied by two letters of recommendation (in sealed envelopes with the author's signature across the seal) and a personal statement outlining applicant's qualifications.

Board members are not eligible for scholarships.

Completed applications and supporting documents should be mailed to the Scholarship Committee Chair.

Tri-State Scholarship

Award: \$200 to attend any histology meeting

Purpose: To get inactive members more active in the field of histology

Additional Requirements: Have not attended a Tri-State meeting for at least five years. Students are not eligible for this scholarship.

Histology Student Travel Scholarship

Award: \$100 for travel expenses to attend the Tri-State meeting

Purpose: To support histology students from Minnesota wishing to attend the Tri-state meeting.

Additional Requirements: Must include a statement signed by the program director confirming the student is passing all coursework. Membership in MSH is not required, nor is certification or present employment.

Continuing Education Scholarship

Award: \$200 reimbursement for a college course or to attend any histology meeting

Purpose: To reward and support the pursuit of continued education for personal growth and development, as well as certification maintenance.

Additional Requirements: Worked in histology field for a minimum of two years.

Total Scholarships = \$500 annually
